Chapter 5 by -

I would rather have no one show up for my funeral... I would never know!

Would you rather live in the house of your dreams on a lonely island, or live in a wrecked home in a metropolis?

Chapter 6 by -

Okay, definitely on a lonesome island with my dream house... I would have a humongous library and read my peaceful life away. I am more of an introvert, so I would find company in myself and my books. Besides, I could write in quiet!

Would you rather have to eat insects with candy occasionally, or drink grease with old bananas?

Chapter 7 by -

Okay... Totally the first one! I can't imagine drinking grease and eating bananas old, ugh! Insects would be just as bad though...

Would you rather be attacked by killer bees but saved in the just in the nick of time, or have butterflies flying about you but you come down with a long disease?

Chapter 8 by -

Oh... To be attacked by bees would be horrifying!!! I would rather have a disease - much better than getting stung hundreds of times.

Well, if I do another question, no will get to answer... So instead I will say:

CONGRATULATIONS EVERYONE!!! This was a lot of fun :).
